You May Qualify For a Refund From the Additional Child Tax Credit

Why Are We Sending You This Notice?

We are sending you this notice because you may qualify for the Additional Child Tax Credit. Your 2008 tax return shows you have one or more dependents who might qualify you for this credit.

What Is the Additional Child Tax Credit?

The Additional Child Tax Credit is a credit that can give you a refund even if you don't owe any tax. You may be able to take the Additional Child Tax Credit in certain circumstances when you cannot take the full amount of the Child Tax Credit.

What Do You Need to Do?

You need to complete the enclosed *Form 8812, Additional Child Tax Credit*, before you can get a credit. The form itself includes instructions. In addition, we've enclosed a worksheet that will help you determine if you meet all of the credit's requirements.

We need you to:

1. Complete the enclosed worksheet. Remember to sign and date the declaration on the worksheet.
2. Complete the enclosed *Form 8812, Additional Child Tax Credit*.
3. Return the enclosed worksheet, *Form 8812*, and a copy of this notice in the enclosed envelope.

NOTE: You don't have to file another tax return to get the credit. You also don't have to return anything unless you qualify for the Additional Child Tax Credit.

What Will We Do When You Respond?

We will review your information. If you qualify for a credit that will result in a refund, we will send you a check within the next eight weeks (if you owe no other amounts we are required to collect). We will send you a letter of explanation if you do not qualify for the credit.

What Can You Do Next Year?

You can get your Additional Child Tax Credit next year by attaching a completed *Form 8812* to your return.
