**This signature will be compared to the one on your absentee ballot application.**
- Ask your witness to print their name and Minnesota address, indicate which proof you showed them, and sign their name.  
*If your witness is an official or notary, they must print their title instead of an address.  
Notaries must also affix their stamp.*
- Seal the envelope. First the small flap, then the large flap.

### 6 Return your ballot by election day to the address on the signature envelope

**Ballots may not be delivered directly to your polling place.**

You have three options:

- Send it so it arrives by election day, using U.S. mail or a package delivery service,
- Deliver it in person by 5:00 p.m. on the day before the election, or
- Ask someone to deliver it by 3:00 p.m. on election day.  
*This person cannot deliver more than 3 ballots.*

## Correcting a mistake

- Completely erase the mistake, or
- Completely cross out the name of the candidate you accidentally marked and then mark your ballot for the candidate you prefer (do not initial your corrections), or
- Ask for a new ballot from your election office. Their contact information can be found in the return address section of the envelope in which you received these materials.

## If you have a disability:

If you have a disability or cannot mark your ballot, your witness may assist you by marking your ballot at your direction, assembling the materials, and filling out the forms for you.

When signing the envelope, Minnesota law says you may:

- Sign the return envelope yourself, or
- Make your mark, or
- Ask your witness to sign for you in your presence. (Have the witness sign their own name as well.)
- If you have adopted the use of a signature stamp for all purposes of signature, you may use your signature stamp or ask your witness to use your signature stamp in your presence.

Please note: Voting is not covered by a power of attorney. A person with power of attorney may only sign for you in your presence, as outlined above.
