Your 1st quarter 2007 (January, February, March) report is not in compliance with RCW 50.12.070 and WAC 192-310-010 2(c) and/or WAC 192-310-030.

WHY IS THIS IMPORTANT? Second Engrossed Senate Bill 6097 (2ESB 6097) sets forth penalties for incomplete reports and reports filed using an incorrect format. The Department has given prior notification of these changes through tax flyers and the Business Update articles. Visit our website at efile.go2ui.com for more information.

Your report does not meet the requirements of the law because it is incomplete. This means that all required data or data elements are not reported. Complete social security numbers, names, hours and wages are required for every employee. (See instructions mailed with your tax report or incorporated in the electronic software package.)

IF YOUR NEXT QUARTERLY REPORT IS NOT FILED CORRECTLY, YOU WILL BE SUBJECT TO THE FOLLOWING PENALTIES:

Penalty for an incomplete tax report or a report using an incorrect format will not exceed \$250.00 dollars or 10% of the quarterly taxes due. When no quarterly tax is due, the following schedule will apply:

Penalty for filing	1st Occurrence	2nd Occurrence	3rd and Subsequent Occurrences
Incomplete tax report and/or Incorrect format	\$75.00	\$150.00	\$250.00

Penalties apply to reports filed electronically or on paper.

HOW TO AVOID THESE PENALTIES: You can avoid these penalties by reporting complete data using the correct format. Visit our website at www.wa.gov/esd/uifasttax for information on selecting the electronic option that best fits your needs, and for complete instructions for all electronic options. If you encounter problems filing electronically, please call the Technical Support Unit at (360) 902-9636.
